Hint Plan To Postpone Scheduled Tax Relief

\$4.75 Billion Deficit Seen For This Year

WASHINGTON (AP) — A big chunk of President Eisenhower's legislative program was laid before Republican congressional leaders Monday, including, one of them said, a plan to postpone about three billion dollars in tax relief scheduled for next year.

The congressional informant, who declined to be quoted by name, reported the administration will ask the new, 84th Congress to extend the present corporate income tax rate of 52 per cent and existing excises on automobiles, alcoholic beverages and other big selling items.

Sharp cuts in these taxes are scheduled to go into effect April 1 unless Congress acts. The GOP leaders met with Eisenhower and members of his Cabinet for 6 hours and 15 minutes at the White House.

A statement issued by the White House after the conference did not mention the administration's reported decision to seek a postponement of the tax cuts, although it said the government's fiscal situation was discussed.

The statement disclosed there was preliminary discussion of these and other proposals the President will submit to Congress in January:

1. Extension of the Defense Production Act and the law providing for reorganization of executive agencies.
2. Continuation of the Small Business Administration.
3. Statehood for Hawaii (shelved by the last Congress).
4. Increased presidential authority to cut tariffs.
5. A 10-year multimillion dollar program of highway building.
6. Wage adjustments for the federal service and elimination of inequities in pay scales in the postal service.
7. Revision of the Constitution to lower the voting age to 18 or thereabouts — rejected by the last Congress.

The administration's tax decision was reported in the wake of Secretary of the Treasury Humphrey's announcement a week ago that the budget cannot be balanced for the fiscal year beginning July 1. A deficit of about \$4.75 billion dollars is in prospect for the current fiscal year.

Earlier in the day, Sen. Millikin (R-Colo.), asked by reporters whether the session was harmonious, replied with a smile:

"Oh, yes—like a cooling dove." It has been generally expected that the administration would be forced to call for postponement of tax cuts.

Unless Congress agrees on an extension, the corporation tax rate will drop from 52 per cent to 47 April 1, costing the Treasury about two billion dollars a year in revenue.

U.S. COLLEGES GET HALF MILLION DOLLARS FROM STANDARD OIL

NEW YORK (AP) — Standard Oil Co. (New Jersey) Monday donated half a million dollars to higher education — with no strings attached.

Checks ranging from \$2,000 to \$5,000 (totaling \$450,000) were mailed to 138 privately endowed U. S. colleges and universities "to support general higher education at the undergraduate level."

A \$50,000 donation was made to the national fund for medical education, which represents 80 medical schools.

Eugene Holman, chairman of Jersey Standard, said the colleges can use the money as they see fit. They include such well-known institutions as Notre Dame as well as 16 women's colleges and a number of smaller schools specializing in science and engineering.

Holman described the unrestricted contributions as "an experiment" which will shape company policy in the future. All told, Jersey Standard has given one million dollars to education this year.

10 HOUR HIGHWAY DUTY DEC. 15
SPRINGFIELD, Ill. (AP) — Illinois state policemen will patrol the highways 10 hours instead of the usual 8 on Safe Driving Day, next Wednesday, Chief Phil M. Brown said Monday.

Troopers will be stationed where traffic accident statistics show highway mishaps are most likely to occur.

See NATO Debate On Use Of Atom Weapons

PARIS (AP) — The West's military leaders Monday set the stage for a sharp debate within the North Atlantic Treaty Council when they met on a controversial plan for the defense of Western Europe with the aid of atomic weapons.

This so-called "new look" plan, approved in principle a year ago by NATO ministers, goes later this week before the full NATO Council of foreign, defense and finance ministers. Some nations are expected to demand a veto power over use of atomic weapons by NATO forces.

The chiefs of staff, sitting as NATO's "military committee," convened Monday to finish their plan before submitting it to the ministers Friday. The ministers will be here for a two-day annual review of defense preparations.

There appeared to be no dissension among the military leaders, but political officials of some NATO countries are expected to make an issue of who is to say when and how tactical atomic weapons can be used.

The military plans were believed to recommend that the choice of weapons in case of an attack from the East be left to the commander-in-chief at Supreme Headquarters, Allied Powers, Europe. That post is now filled by U.S. Gen. Alfred M. Gruenther.

This recommendation, it was reported, encountered sharp opposition in the foreign offices of some member countries when it reached them for study last month. One of the decisions confronting the committee here was whether to modify the original suggestion to meet these objections.

Some NATO governments, it was reported, want the commander to ask permission from all NATO members before using atomic weapons. They argue that this is a matter of policy which cannot be left in the hands of the military alone since, for one thing, it involves the risk of atomic reprisals.

The military argument is that a sudden Communist aggression would have to be countered quickly and fully if defense is to be effective, and that a commander simply could not wait for 14 governments to meet, debate and decide.

Viet Nam's Gen. Vy Opposes Reducing Size Of Army

SAIGON, Viet Nam (AP) — Gen. Nguyen Van Vy, new inspector general of Viet Nam's young national army, said Monday he personally is opposed to reducing the army's size.

President Eisenhower's special ambassador, Gen. J. Lawton Collins, is reliably reported to favor slashing the army from its present strength, which Vy placed at 220,000, to a streamlined, hard-hitting force of 90,000.

"Personally—and I emphasize that this is a personal opinion until the government has given its official view—I am against reducing the size of the army," Vy said in an interview. "We should maintain it at its present level, and make it more efficient."

The 38-year-old parachute trooper declared the Communist-dominated Vietnam, who hold the North, are strengthening their army.

Sheppard Testifies About The Three Women In His Life

CLEVELAND (AP) — Dr. Samuel Sheppard told in halting question and answer style Monday of three women in his life, before his wife's murder. One he dated, one he kissed, one he made love to.

The serious affair was with Susan Hayes.

The 30-year-old osteopath also testified his 31-year-old wife, Marilyn, lost "sexual aggressiveness" after the birth of their son Chip, now a 7-year-old. She worried, he added, that she was "losing my attention."

However, Dr. Sheppard said: "There was no question in my mind of divorce or separation."

Dr. Sheppard is on trial for his life, charged with murdering his wife last July 4.

At the end of the court day, Dr. Sheppard was under heavy attack on his story of the actual slaying, which he blames on a marauding stranger. Outwardly, his composure held up. But his voice sank very low as he met question upon question with an "I don't know. I can't give a clear picture. I don't remember. I'm not positive. I don't recall."

Ass. Prosecutor John J. Mahon had Dr. Sheppard describe how he used to take Miss Hayes home when the 24-year-old beauty was a laboratory technician in his hospital in 1952.

You had intimate relations with her, didn't you? Mahon asked.

"Yes, sir," replied Dr. Sheppard, confirming for the first time in the long trial Miss Hayes' story of a 16-month illicit romance.

When Miss Hayes went to California last February, Dr. Sheppard testified, she left with him her address and telephone number. He said he went to Los Angeles in March and for at least five days, shared the same bedroom with Susan in the Glendale home of friends.

Dr. Sheppard also testified about a kissing date with Mrs. Julie Loosman in 1953.

She was the 27-year-old wife of a dealer who sold him a Jaguar sports car.

JAP-MADE TREE LIGHTS START TARIFF TALK
WASHINGTON (AP) — Made in Japan Christmas tree lights are selling in American stores for less than the raw materials alone cost U.S. manufacturers, the Tariff Commission was told Monday.

W.R. Freeman of the Amplex Corp., Brooklyn, asked the commission to increase, or in any event not to reduce, the present 30 per cent tariff on bulb imports during forthcoming trade agreement negotiations with Japan and other countries.

Gero exhibited a box of Japanese Christmas lights in a popular size and said he bought them for \$2.85 a hundred. American-made bulbs of the same size sell for 15 cents to \$1.50 a hundred, he said.

Dickenson Prison Sentence Upheld By Review Board

WASHINGTON (AP) — An Army Board of Review has upheld the 10-year prison sentence for Cpl. Edward S. Dickenson, 23, convicted of collaborating with the enemy while he was a prisoner in Korea.

The board's decision was announced Monday by Guy Emery, a retired colonel who served as Dickenson's civilian counsel in his court-martial, and later confirmed by the Army. Emery said the case would be appealed to the Civilian U.S. Court of Military Appeals.

Dickenson is now in an Army stockade at New Cumberland, Pa. He is the Cracker's Neck, Va., farm boy who first elected to stay in Korea with the Communists, but later changed his mind and came over in the prisoner of war exchange. He denied the collaboration charge.

Report Building Uranium Powered Railroad Engine

GRAND JUNCTION, Colo. (AP) — The Grand Junction Daily Sentinel says a report has been heard frequently that a uranium powered locomotive is under construction at the Denver shops of the Denver & Rio Grande Western Railroad and possibly is in the test run stage.

The engine project, being done under Army and Atomic Energy Commission contract, is locked up in secrecy tighter than Ft. Knox, the Sentinel's story said. "But now and then a hint or two leaks out of the security doors."

In Denver, Wilson McCarthy, president of the Rio Grande, denied the report. He said:

"Reports that the Rio Grande is building a 'uranium powered' locomotive in its Burnham shops are not correct. Ray McBrien, chief of the Rio Grande research department, for the past two years has been working on the possibility of utilizing atomic energy in running diesel electric locomotives but to date he and his associates have not launched any project. When and if some project is undertaken, an announcement about it will come from the atomic energy commission."

Report Pope Pius Somewhat Weaker

VATICAN CITY (AP) — Pope Pius XII, although still reflecting improvement from a near fatal collapse 12 days ago, was reported somewhat weaker Monday. He was having difficulty eating.

An authoritative source said the 78-year-old pontiff's condition remained grave and required constant watching.

Prof. Antonio Gasbarrini, one of three medical specialists consulted after the Pope's collapse Dec. 2, was called here from his Bologna clinic and examined the Pope again. This was called "purely a checkup." After his first examination, Gasbarrini prescribed an alkaline washing of the pontiff's stomach and a special diet to build his strength.

Until Monday, the Roman Catholic Church leader had been eating increased amounts of food. Hiccups that harassed him intermittently since last January ceased after Gasbarrini's treatment was started.

The Pope's slight weakening was the first break in his steady improvement for more than a week.

DRAFTES MUST ASK HOLIDAY DEFERMENT

WASHINGTON (AP) — Draftees scheduled to be inducted between now and Dec. 27 were warned Monday that although they can get a postponement until after the Christmas holidays the deferment is not automatic — they have to ask for it.

Maj. Gen. Lewis B. Hershey, selective service director, said anyone under orders to report for induction who does not report on time, unless he has asked for and received a postponement from his local board, will be listed as "delinquent" and his name will be turned over to the FBI.

Deferment is not automatic, Hershey said in commenting on an Army announcement of last Friday that draftees scheduled for callup between Dec. 11 and Dec. 27 would not have to report until after the Christmas holidays.

Red Peiping Raps U.S. For Holding Students

LONDON (AP) — The Peiping radio said Monday night the United States would be showing "utter contempt for international law" if it insists on holding 35 Chinese students who want to go home in retaliation for the jailing of 13 Americans as spies.

"While making blistering statements about the 13 American spies," the Peiping Broadcasts heard in London said, "the U.S. State Department announced Dec. 7 that it refused to allow 35 Chinese students to return to China."

"The U.S. government had been forcibly detaining more than 5,000 Chinese students and refusing to allow them to return to their own country."

"If it reaffirms, its intention to retain Chinese students as a measure of revenge for the conviction of the American spies, it only shows the U.S. government's utter contempt for international law."

Some 4,500 Chinese nationals were in the United States when the Chinese Communists entered the Korean War. Gradually, those who expressed the desire to return to their homeland have been released.

The State Department still has refused to permit 35 of those who wanted to go to China to leave the country.

Sentence Joliet Union Official For Racketeering

QUINCY, Ill. (AP) — Virgil Floyd, Joliet union official convicted of labor racketeering, was sentenced today to two years in a federal penitentiary.

The penalty was assessed by Judge J. Leroy Adair in U. S. District Court. Judge Adair presided at Floyd's trial in Peoria where a jury convicted him Dec. 1.

Floyd, 56, business agent of the AFL Teamsters and Chauffeurs Union in Joliet, was accused of extorting \$2,650 from representatives of a firm laying a pipeline from Cushing, Okla., to East Chicago, Ind.

Judge Adair ordered Floyd released under \$10,000 bond pending an appeal to the U. S. Circuit Court of Appeals. He denied Floyd a new trial or probation.

At the trial in Peoria, Morris Stout, vice president of the J. C. Cox & Son Construction Co. of Raytown, Mo., testified Floyd threatened labor trouble if the company did not pay him \$25 a mile during laying of the pipeline through Illinois in 1952.

Another company official, Martin Shay, related he made the \$2,650 payoff.

Undaunted By Peiping Blasts

UNITED NATIONS, N. Y. (AP) — U. N. Secretary General Dag Hammarskjold was undismayed Monday at Red Chinese blasts at the U. N. for what Peiping called "illegal" interference in the case of 11 American aviators jailed as spies. He was reported still hopeful for a talk with the Peiping Reds.

Persons close to Hammarskjold said he did not feel a Peiping radio broadcast Monday morning amounted to rejection of his suggestion for a face-to-face talk with Prime Minister Chou En-lai in Peiping on the prisoner question.

The Red radio said the "United Nations has no right to interfere with China's sentencing of the American spies."

"United Nations discussion of this question under American manipulation is both illegal and unjust," the radio said.

A later broadcast by the Red radio mentioned the subject again in similarly harsh terms and for the second time did not mention Hammarskjold's message.

Neither broadcast mentioned the Assembly's resolution, which also condemned Red China for sentencing the spies.

It was reported here that Hammarskjold did not expect an immediate reply. He was represented as feeling a matter of this high importance would take time before the Communist Chinese would chart their course.

U. N. officials said that omission of any reference to the secretary general's proposal indicated that the question still was under consideration.

In addition to the direct message to Chou which was sent Friday, Hammarskjold was believed to be working through Swedish and Indian channels. Both countries have diplomatic missions in Peiping. Hammarskjold formerly was No. 2 man in the Swedish Foreign Office. He is scheduled to go to Stockholm this weekend to take the seat in the Swedish Academy of Literature held by his late father. If Peiping accepts his bid for direct talks while he is in Stockholm, he could easily fly from there to the Red Chinese capital.

Soviet Ambassador Jacob A. Malik, top Moscow delegate to the Assembly, had nothing to say about the flies.

But Malik took up the cudgels for Red China on another U. N. front. In the Assembly's Special Political Committee, Malik opened debate on Soviet charges that Nationalist China committed piracy against 67 foreign merchant vessels along Red China's coast, with the aid of the United States.

He called for the U. N. Assembly to condemn such actions and for the United States to "prevent acts of injustice." Malik said U. S. planes not only tracked down ships for Nationalist boats but "even fired on them."

The Christmas play was practiced. It is to be given at the church on Sunday night Dec. 19.

Carrollton Boy In Valparaiso U. Christmas Play

The traditional Christmas play by the Valparaiso University Play-ers will be presented at 8:15 p.m. and at 11 p.m. Wednesday, Dec. 15, in the University auditorium. This year's Christmas dramatization will be "Kings in Judea" by Dorothy Sayers.

"Kings in Judea" is one of the 12 plays written for radio by Miss Sayers under the title "The Man Born to Be King." "Kings in Judea" is an unusual telling of the Christmas story. Its emphasis is on characters other than the members of the holy family. It also emphasizes the political and social conditions of the times, although still possessing a timeless quality.
In the leading role of Herod is Ronald Goodrich, a senior from Cleveland, O. The kings are Sophomore Roy Speckhard from Carrollton, Ill., junior Gus Habitz from Detroit, Mich., and senior Sam Susina from Chicago, Ill. Herod's queen, Elpis, is played by Mario Melinat, a sophomore from Howard Lake, Minn.
Mary Prust, a junior from Decatur, Ill., plays the role of Mary, while Joseph is portrayed by Richard Pick, a sophomore from Rockie, Ill.
Freshman Peggie Jones of Gary, Ind., junior Betty Kuhn of Hollywood, Cal., and sophomore Tom Klinsenberg of Almena, Wis., are members of the peasant family in whose home part of the action takes place.
Dr. M. Alfred Bichsel, music professor, will be the Evangelist, and he will direct the Valparaiso University Chapel Choir, which will also assist in the production. Julia Hennig, of Herrin, Ill., will play organ interludes between scenes.
The play is under the direction of instructor Alex Fiedt of the speech and drama department with student assistants heading various production staffs.

Mound Woman's Club Celebrates 40th Anniversary

The fortieth anniversary of the Mound Woman's Country club was celebrated with a pot luck supper and program in the Fellowship room of the First Baptist church, Thursday, December 9.

The invocation was given by Henry Mason. Following the supper, Mrs. Fred Carter, president, welcomed the members and guests. She then turned the meeting over to Miss Ina Stewart, program chairman. Miss Stewart read a letter from Mrs. W. S. Jones of New York. It was Mrs. Jones' idea for a Mound Club that resulted in the foundation of the club, forty years ago. Mrs. Jones told in her letter, the founding of the club and of the changes that have taken place in the community during the last forty years.

Mrs. Carlton Schumaker of Chapin played Christmas carols on the marimba, accompanied by Miss Eda Bokhoff, also of Chapin. A skit on the founding of the club was given with Mary Margaret Wax as Mrs. Jones and Leah Caldwell as Mrs. Nellie Gunn. Mr. and Mrs. Harlan Mason sang several Christmas numbers, accompanied by Mrs. Lloyd Gordon on the piano. Harold Perle wrote a short skit on a get together of the husbands of the club members many years ago and their exchange of neighborhood gossip. Husbands taking part were: William Richardson, Henry Wax, Chester Thomson, Willard Williams and Harold Perle. Former members and husbands were then given recognition by the president. They were: Mr. and Mrs. James Walker, Mr. and Mrs. Howard Stevenson, Mr. and Mrs. John Boddy, Mr. and Mrs. Herbert Mason, and Mrs. Henry Kiltner of Springfield. Mrs. Kiltner gave a talk on the first year the club was organized. She read the hostesses and monthly programs of the first year from the first year book. Other guests present were Martha Thomson, Donna Morris, Mrs. Calender, Mr. W. M. Richardson, Rob Scott, Mr. and Mrs. Lloyd Gordon, Miss Eda Bokhoff, Mr. and Mrs. Carlton Schumaker, Mr. and Mrs. Roscoe Manson, Marjorie Kiltner and Ethel Stewart of Springfield. The dinner committee for the supper was Mrs. Byron Stewart, Mrs. Harold Perle, and Mrs. Scott Holmes. The decorating committee was Mrs. Edward Joy, Mrs. Henry Mason, and Mrs. Fred Carter.

this, nor does all that was fair. But I guess it will still do. It will have to do, for there's no other way."

An hour later his passengers began climbing over the side. Now they had enough fists and guns to withstand further trouble. Passengers on the river boats always fought for their own packet. Considering the Apache desert on each side of the river, it was a good thing this was so.

Crotch's gaze fell on Dreyfus coming over the gangplank. He had someone else with him. A woman! He was taking Queenie back to La Paz?

His eyes flicked to her and he knew an instant's sharp regret. He realized at once Queenie had thrown over his bakery shop for this. For this life in the palace hills with the utter loneliness, the hardship and the song of the wolves at night. Then, oddly, he remembered her time when she had asked if Burke was coming upriver. It wasn't Dreyfus, then, but Burke.

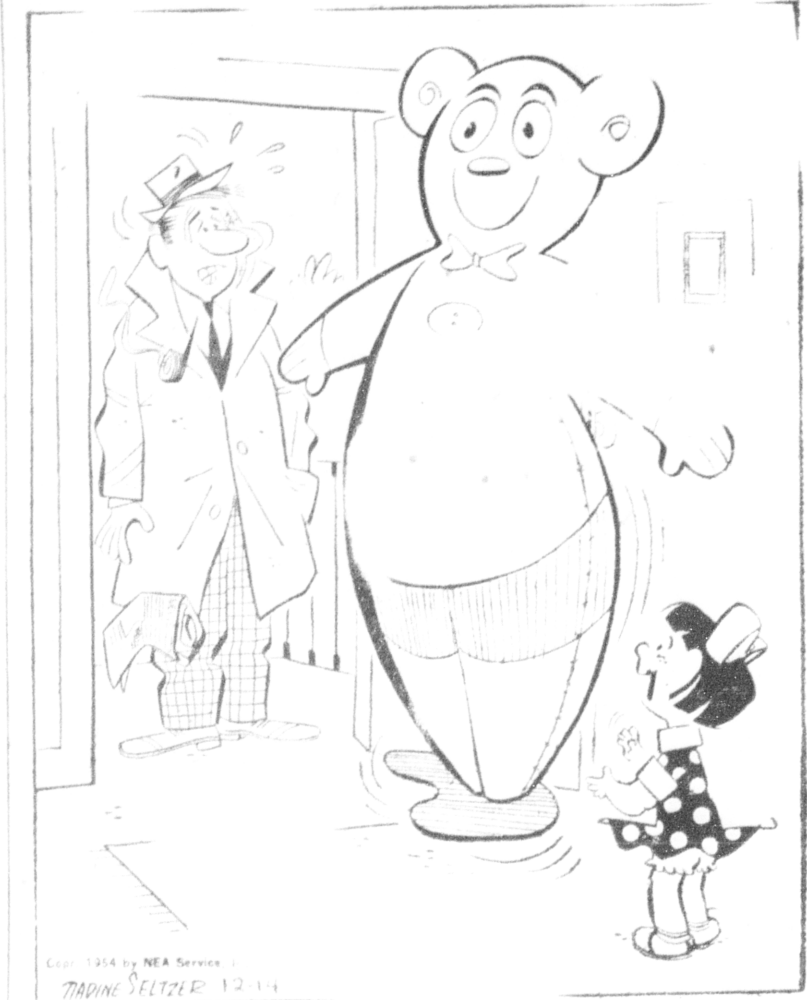

"She'll be no trouble to you," Dreyfus said as he pressed a sack of gold into the captain's hand. "Statestons are all taken," Crotch murmured tritely.

"Where Dreyfus sleeps will be all right with me," Queenie said. Her expression was gay, care-free, very nearly radiant, Crotch thought. She was dressed in a newly made Indian skirt.

Woman's Club Enjoys Novel Elocutionist

Members and guests of the Jacksonville Woman's club Saturday enjoyed one of the best entertaining programs in many months at the December meeting held in the banquet room at the Dunlap hotel. Mrs. Dorothy Christman of Chicago mimicked, interpreted characters and lent a touch of philosophy in her serious selection of dramatic presentations to hold her audience's rapt attention every minute during her outstanding program.

The room was most attractively decorated with a ceiling-high tree in one corner. The speakers table was covered with a green cloth and banked with green boughs flecked with white. Candles and greenery also decorated window shelves and the piano top.

The president, Mrs. Earl Davis, called the meeting to order and the women stood for The Lord's Prayer led by Mrs. Charles Thurn and the pledge to the flag led by Mrs. Gail Ranson. Miss Charlotte Sieber, music chairman, presented the musical portion of the program. Miss Sieber welcomed a choral group from the Jacksonville high school, accompanied by Miss Becky Crouse who played piano accompaniment.

Miss Mignon DuBois introduced the girls, Barbara Munk, Janet Fernandes, Mary Ellen Covey, Mary Ann Rickert, Carol Omondson, and herself. The group sang several lovely Christmas numbers. They are directed at the school by Donald Lord.

The chairman of the day was Mrs. Robert Kaiser who introduced the speaker, Mrs. Kaiser told the women their guest speaker had received her education at the Northwestern University School of Speech and now teaches in the slum area of Chicago.

Mrs. Christman first gave her impression of what the average husband hears when his wife engages in a lengthy phone conversation. Her repertoire rang familiar with her listeners as the vein of the conversation concerned clubwork. Her next selection was an exacting dialogue between a clerk in a Chicago store's bargain basement and her co-worker. This hilarious one-sided conversation held strictly true-to-form and though directed to a Chicago locale most certainly applied in many other locations.

Philosophical Bit

The entertaining Mrs. Christman next waxed nostalgic in her own personal reflections on the Christmas season, its family ties, expectancy and in closing the seasonal portion of the program she gave an unlooked for bit of philosophy by telling her responsive audience that "one doesn't just spend Christmas, you keep it, both in your heart and actions. Though the season is usually thought of for the children and the young the older one gets the more they love Christmas."

After her only serious offering about the holiday season which demonstrated fully Mrs. Christman's extended education, her close contact with people and her love of humanity she concluded her program with a hilarious mimicry. The trials and tribulations of a woman experiencing her first false teeth left all weak from laughter. Mrs. Christman's talents included a complete mastery of facial expression necessary in her portrayal of such a situation.

Preceding the program Mrs. John Murray, chairman of the Trail Rangers project, had a child's boot passed around for coin donations to be sent to the Cottage near Grafton to purchase shoes for the boys living there. A coin collection was also taken for the Park Ridge School for Girls to be added to the district fund for Christmas presents for the girls.

Tea and coffee were served with accompanying Christmas cookies and cakes from a beautifully appointed serving table. A lovely red cloth centered the all white covered banquet table. Silver and crystal contrasted against the red and was

truly a blend of the traditional Christmas colors of red and white. Silver bowls held large ornaments on either side of a green and silver centerpiece encircling a large red candle. Double white tapers were in crystal holders on both sides of the centerpiece.

The club's lovely silver coffee and tea services were on either end of the serving table. The window ledge back of the table was also decorated with thick red candles set in greenery. Mrs. Earl Davis and Mrs. T. Ray Baker poured. Mrs. Lawrence Mallicoate was the chairman of the hostesses and was assisted by Mrs. Earl J. Myer, Mrs. Paul Black, Mrs. Harry Merriman, Mrs. Maude Fanning, Mrs. Loren Moody, Mrs. Floyd Schramm, Mrs. Burton Olroyd, Mrs. Cora Newton, Mrs. Mildred Rees, Mrs. Don Ransdell, Mrs. C. A. Schumacher and Mrs. Charles F. Allen.

Members of the Adelphian class of the Lynnville Christian church held their regular meeting Friday evening with a large attendance, including a number of guests. Mrs. Earl Hempel, president, conducted the business session.

Mrs. Harold Hamel was in charge of the devotional service, the theme being "Christmas Is a Time for Confidences."

Mrs. Freda Gunnels was in charge of the program. "A Christmas Melody" was played on the Hammond organ by Mrs. Lloyd Gordon. Christmas readings were given by Mrs. Russell Wynn, followed by a song, "Rudolph, the Red Nosed Reindeer," by John Heaton.

Games were enjoyed before refreshments were served.

Rudy Garcia TKO's Smith

BROOKLYN (AP)—Rudy Garcia, a busy little strong man from Los Angeles, climbed all over Gene Smith Monday night to win on a technical knockout in 11 seconds of the sixth round at the Eastern Parkway. Garcia weighed 128½, Smith 130.
Although Smith never was down he absorbed a bad beating all the way from the powerful Garcia.
It was the second time the 23-year old Smith had been stopped in 49 pro starts. From the opening bell, Garcia bullied Smith around the ring and pinned him against the ropes time after time.

Schlundt Hits 41 But SMU Upsets Indiana 83-78

BLOOMINGTON, Ind. (AP)—Don Schlundt, Indiana University's All-America center, scored 41 points Monday night but the Hoosiers were upset by Southern Methodist 83-78.

Southern Methodist's Mustangs won at the free throw line in salvaging a victory from a road trip in which they lost to Purdue and Washington of St. Louis.
Indiana trailed until the last minute before defeating Notre Dame last Saturday but it fell short in a late rally Monday night.

Southern Methodist led at the half, 42-27, with an attack led by Jim Krebs, 6-foot-8 sophomore center, and Joel Krog, 6-foot-3 guard. The score was tied three times early but Indiana never led.

Krebs, who scored 20 points, fouled out with almost 5 minutes left to play and the Mustangs leading 70-60. Indiana widened the margin to 80-77 with 1:20 to go but couldn't catch up.

Southern Methodist hit three fewer field goals than Indiana but connected with 31 of 49 free throws while the Hoosiers were making only 20 of 46. Schlundt missed 10 free throws, although he hit 11 and 15 field goals. He also fouled out in the last minute.

Indiana also had been beaten by Missouri in its pre-Big Ten campaign.
The Hoosiers made 29 of 81 shots from the field for 358, SMU 26 of 57 for 456.

Missouri Whips Wisconsin 67-56

COLUMBIA, Mo. (AP)—The University of Missouri scored its third straight win over Big Ten opposition by defeating the University of Wisconsin 67-56 in a basketball game here Monday night.

Missouri previously had downed Indiana and Iowa in non-conference games after losing to Illinois.
Norman Stewart, Missouri forward, had the best night of his career with 26 points to lead the Hoosiers.

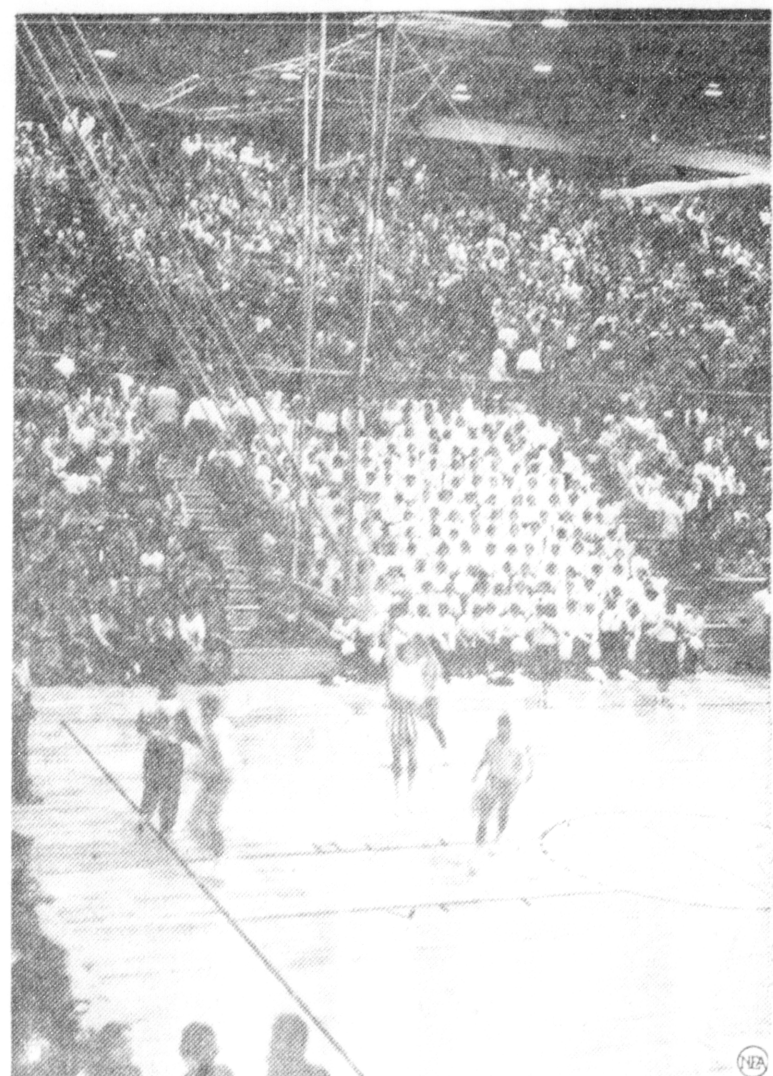

In addition, Stewart led Dick Cable, Wisconsin's top scorer, to 12 points. In three previous starts this season Cable had averaged 28 points per game.
Wisconsin held a 33-32 halftime margin but Missouri went ahead early in the second half to stay.
Missouri outscored Wisconsin only 22 to 21 from the field but dumped in 23 free throws to 14 for the losers.

Kenny Lane Gains Win Over Perez

NEW YORK (AP)—Left-handed Kenny Lane of Muskegon, Mich., racked up his sixth straight victory Monday night by gaining a split 10-round decision over New York's Danny Jo Perez in a bloody scrap at St. Nicholas Arena.
Perez weighed 139½, Lane 136½.
The 22-year old midwesterner puzzled Perez in the first half of the telecast tilt with his southpaw stance. He piled up a good margin on the cards of two of the officials.
Perez rallied in the second half but couldn't overcome Lane's lead.

BURDENS OF A DIPLOMAT
LONDON (AP)—Foreign Secretary Sir Anthony Eden explained Monday that tossing down cocktails in various world capitals is one of the burdens of a diplomat's life. It is done strictly in the line of duty, he informed the House of Commons.
Eden defended the British Foreign Service from charges by a parliamentary select committee that this country has too many diplomats abroad and they entertain on too lavish a scale.

Big Ten Cagers Prove Western Conference Tough On Opponents

By JOE MOOSHIL
CHICAGO (AP)—The Big Ten proved basketball superiority against non-conference opponents Saturday with the exception of Iowa. The Hawkeyes, No. 1 contender for the Western Conference crown, fell before Missouri, 97-94.
It marked the Hawkeyes' first defeat of the season and the second victory for the Tigers against Big Ten foes. Missouri also whipped Indiana, Big Ten defending champion, 84-61, on the Hoosiers' home court, but lost to Illinois.

The Illini, in the process of rebuilding, made it three in a row Saturday night by skimming past Oklahoma A&M, 56-53. It was the highest total of points scored this season against the defensive-minded Illini.

Elsewhere in the Big Ten it was one victory after the other. Indiana whipped Notre Dame, 73-70, in a nationally televised game. The Hoosiers trailed until the final minutes of the game when Hallie Bryant fired in a long shot for a 69-68 lead.

It was sweet revenge for the Hoosiers who were knocked out of the NCAA finals last season by the Irish.

Buck Shaw, 49ers Head Coach For 9 Years, Fired

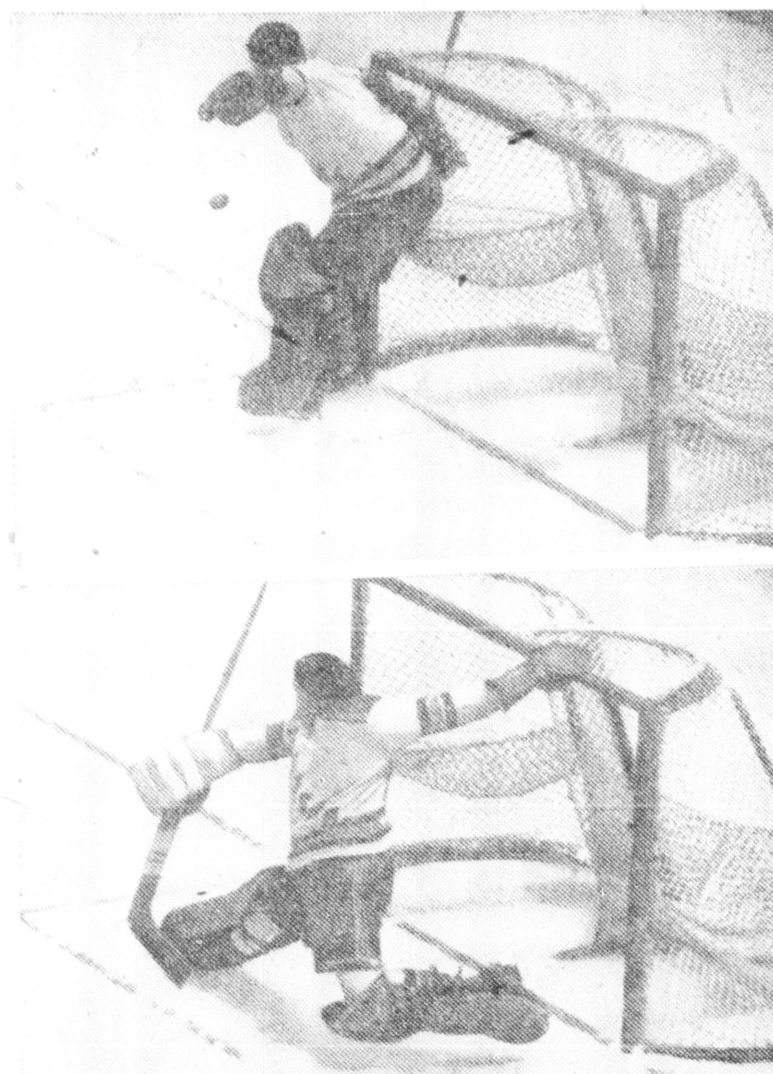

SAN FRANCISCO (AP)—The San Francisco 49ers pro football club's principal owner, Anthony J. (Tony) Morabito, Monday announced that Head Coach Buck Shaw was being relieved of his duties "as of this day."

No immediate successor was announced, but reports have prominently mentioned Norman (Red) Strader, 49er scout.

Shaw's National Football League club closed out a disappointing season Saturday with a record of seven wins, four defeats and one tie.

Asked why Shaw was being fired, Morabito said, "For nine years Shaw has been the only head coach the 49ers have had."

"He has been given 100 per cent authority, not 99 per cent, but 100. "Four out of the past five years the 49ers have either folded completely or lost the big one, I think it's time we tried something else."

NET RESULTS—Gump Worsley kicked out the shot, top, at Madison Square Garden, but Bill Mosienko's drive skidded past the Rangers' goalie to give the Chicago Black Hawks the decision, 2-1. (NEA)

FAN BREEZES

BY BILL MERRIS
If you have always wanted but never had the opportunity to see a 7 foot basketball player in action your wishes will almost be realized Saturday night. A man will take the floor against the Illinois College Blueboys Saturday evening who measures 6-11 in his stocking feet.

Blueboy coach Al Miller attended a conference meeting in Springfield yesterday and came home with that bit of information for his team. The William Jewell five from Liberty, Missouri has one of the strongest small college clubs in the Midwest according to coach Miller. Besides the center, the tallest player to appear on the IC floor for a long time, the next shortest performer will be a 6-6 forward who won all-state honors in Missouri last season.

Between the two of them it looks as if Ed Harrell will have his hands full. This is the first year the local college has tangled with William Jewell. The Liberty Mo. five travels through the Midwest playing some of the top small college quintets in the area.

Coach Miller called a halt to practice at the hilltop until Thursday afternoon. He is very much concerned about the grades of two of his starters and with the final exams now in the "taking" phase doesn't want anything to interfere with anyone's desire to study.

Rex Layne Starts Home After Much Disputed Bout

DUESSELDORF, Germany (AP)—Rex Layne of Lewiston, Utah, who fought Germany's European heavyweight champion Heinz Neuhaus to a much disputed draw in Dortmund Sunday returned home by air Monday night.

Still disappointed over the German judges' verdict which many fans called a "home town decision" in Neuhaus' favor, Layne smilingly acknowledged the cheers of some hundred fans who saw him off at the airport here.

German newspapers Monday almost unanimously described Layne as the better fighter who should have won the bout.

Brandeis Cops 17th Straight, Whips Wheaton

BOSTON (AP)—Center Roger Morgan and forward Gerry Smith with 23 points each, paced Brandeis to its 17th straight basketball victory Monday night as the Judges defeated Wheaton 103-88 at Boston Garden.

Brandeis never trailed after midway in the first half when the Judges led 21-20. Defense lapses enabled the Illinois visitors to close the gap to 33-31 moments later but the Judges pulled ahead 51-44 at half time.

In the loosely played second half, the deadly shooting of the Judges broke the game wide open despite Wheaton's pressing tactics.

Dick Helm led Wheaton's scorers with 20 points.

Notre Dame Beats Loyola 89-76, 12th Time In Row

Dame's basketball team Monday night won its 12th straight game of 12 with Loyola of Chicago 89-76 and the Irish total was a record for the series. Center Lloyd Aubrey topped Notre Dame scorers with 25 points.

Loyola's chances faded when forward Bill Paika was injured mid-way in the second half. He took a bad fall, bruising an elbow and leg, and was unable to return to the game. He and guard Jerry Lyne scored 17 points apiece for the losers.

Notre Dame rushed into a 34-15 lead. Loyola rallied and cut the margin to 45-39 at the half.

The Chicago club never caught up and Notre Dame used 12 players.

Capt. Jack Stephens scored 20 points for the Irish.

The defeat was Loyola's second in five starts. Notre Dame has won three of four.

"POOR BUTTERFLY" COMPOSER, HUBBELL, DIES

MIAMI, Fla. (AP)—Raymond Hubbell, music composer who wrote "Poor Butterfly," died Monday night after an illness of two weeks. He was 75.

His doctor said Hubbell suffered a stroke Nov. 28.

For many years he was a composer for stage productions in Chicago and New York and wrote the music for seven of the Ziegfeld Follies.

He is survived by his widow, Estelle. They had no children.

Bill Tosheff, one-time Indiana and N.B.C. basketball star, is listed on the Atlanta Crackers (Southern Association) roster for 1955. Tosheff, a pitcher, won 21 games in the minor last season.

Lions Must Come Back Or Throw In The Flag: Coach Buddy Parker

By A. F. MAHAN JR.
DETROIT (AP)—Coach Buddy Parker says his Detroit Lions, who are shooting at a third consecutive National Football League crown, have "got to come back next Sunday or throw in the flag on the championship game."

The Lions, who already had copied their third straight western division title, lost a meaningless 28-24 decision to the Chicago Bears Sunday in what Detroit sports-writers described as one of their worst games in three years.

Sunday's game at Cleveland will be the "most meaningless" in professional football history. The game's outcome will make no difference whatever in division standings. The Browns wrapped up the eastern division crown Sunday by thumping Pittsburgh 42-7.

The Lions and the Browns meet in the game that counts a week from Sunday—the playoff for the NFL championship.

Next Sunday's game originally was scheduled for Oct. 3 at Cleveland, but was postponed because it conflicted with the World Series there. Coach Paul Brown refused to move it from Detroit, so it was re-scheduled for Dec. 19.

But Parker isn't so sure the game is meaningless for his Lions. He says they played "terrible football" for three quarters against the Bears, and adds:

"We haven't been right the last three games. We have got to get out of this slump. We've got to beat somebody. The squad has a couple of days off, but starting Wednesday we'll work harder than we've done all season."

That "slump" to which Parker refers is made up of a 28-24 victory Thanksgiving Day over Green Bay a 13-13 tie with Philadelphia, and Sunday's 28-24 loss to the Bears.

And if the Lions lost next Sunday to the Browns, Parker might figure he, as well as his team, has hit a slump. A Parker-coached team has never been beaten by one coached by Paul Brown.

Ronald Gibbs, Noted Official, Injured In Crash

SPRINGFIELD, Ill. (AP)—Ronald J. Gibbs was injured Sunday night in a traffic accident while returning to his home here after refereeing the New York-Philadelphia professional football game.

Gibbs suffered leg bruises and facial and hand lacerations when his car and an automobile driven by Joseph Burke of Bloomington collided on the U. S. 66 Bloomington bypass. Gibbs flew from Philadelphia to Chicago and was returning to Springfield in his car.

Reds Finish Out Of "Red"

CINCINNATI (AP)—The Cincinnati Redlegs who have been in the red for every National League baseball season since 1949, wound up 1954 with a net profit of \$68,065.62.

That was the report given to stockholders Monday by General Manager Gabe Paul for a season in which home attendance showed an increase of 166,061 and in which the team finished fifth — higher than it had been since a similar finish in 1947. Cincinnati hasn't been in first division since 1944.
Paul reported the home attendance in 1954 was 704,167 as compared with 548,086 in 1953 and the road attendance increased from 665,447 to 677,012.

The net profit compared with a net loss of \$35,042.43 in 1953.

Drake Track Coach Resigns

DES MOINES (AP)—Resignation of Tom Deekard, 38, Drake University track coach and director of the Drake Relays, was announced Monday.

Deekard has resigned, effective with the end of the school year June 1, to become an official with a Des Moines chemical firm.

The former Indiana University distance star came to Drake Jan. 1, 1948, after having coached at Indiana before and after World War II.

Former Army Star New Citadel Boss

CHARLESTON, S. C. (AP)—John E. Sauer, who starred for Army's national football champions of 1944-45, has accepted a five-year contract to coach football at The Citadel. This announcement was made Monday by Gen. Mark W. Clark, president of the South Carolina military school.

Sauer will succeed John D. McMillan, who was fired a week ago.

NAME COACHES FOR ANNUAL PRO GAME
LOS ANGELES (AP)—Jim Trimble of the Philadelphia Eagles will coach the East and George Halas of the Chicago Bears will direct the West for the annual Pro Bowl football game here Jan. 16, it was announced Monday.

Pierre Langlois Works Out Before Public

SAN FRANCISCO (AP)—Pierre Langlois, 29-year-old challenger of middleweight champion Bobo Olson's title, offered the public a glimpse Monday of what to expect in Wednesday night's 15-round scrap.

After operating behind closed doors over the weekend, the Frenchman's handlers scheduled a public afternoon sparring appearance against Pierre Hernandez at an athletic club.

Backers of the favored 26-year-old champion recalled that the last Olson foe who worked in secret was Britain's Randy Turpin—but he came out with no secret weapon and was defeated.

The 7 p.m. fight (9 p.m. CST) at the Cow Palace will be nationally televised over CBS.

Johnson Named Pan American Cage Manager

NEW YORK (AP)—The U. S. Olympic Basketball Committee Monday appointed a former Illinois man as new manager for its Pan American Games basketball squad.

Maj. Roy P. Johnson, former all-round athlete at the University of Illinois, was named manager of the squad.

Johnson, who succeeds Maj. Don Rossi, said a squad of 25 to 30 players from all branches of the armed services will be assembled at Wright Field, Dayton, Ohio, starting Dec. 26.

After two weeks of drills the squad will be available for games, Johnson said, and he appealed to coaches throughout the country for games.

Johnson said proceeds of the games would pay for the training expenses with any profit going into the Olympic basketball fund.

"I'd rather not name any players right now," Johnson said.

He said men picked will have regular military duties in addition to playing basketball.

Bears Tangle With St. Marys

ST. LOUIS, December 12—Having successfully corralled the Mustangs from Southern Methodist 58-54, the Washington University Bears will try to stop the Galloping Gaiels from St. Mary's College, St. Mary's, California in an 8:15 game Tuesday night at the Field House.

Coach Blair Gullion's young charges will be after their third home court victory in a row when they take on Coach Thomas Foley's St. Mary's quintet. In addition to Friday's upset victory over an experienced SMU team, the Bears own a 66-44 decision over Mississippi State College. Their lone defeat came in the season's opener at Iowa against the nationally ranked Iowa Hawkeyes.

Memorial Services Today For Sanders

BOSTON (AP)—The body of heavyweight boxer Ed Sanders started its tragic plane journey to Los Angeles Monday night.

Sanders died from brain injuries Sunday, some 18 hours after being knocked out in the 11th round of a New England heavyweight championship bout with Willie James of Boston. Sanders, who underwent a delicate four-hour operation, never regained consciousness.

Sanders is survived by his widow, Mary, and their 17-month-old son Russell. Los Angeles is the home of Sanders' parents.

Memorial services will be held Tuesday at the Navy Building in South Boston where Sanders was stationed as a storekeeper. Fighting on his own time, Sanders, 217-pound, 25-year-old Negro and former Olympic heavyweight titleholder, was the only active professional boxer in the Navy at the time of his death.

The cause of death as determined by an autopsy was bleeding in several spots between the brain and the layer of tissue separating the brain from the skull. Associate medical examiner Michael Luongo verified the injuries had been caused by a blow or blows struck during the fight.

The knockout was the only one of Sanders' seven years of competitive boxing. He'd been a professional less than a year with a record of six wins, two defeats and a draw.

The death was the sixth in the ring this year and second within three days. Featherweight Ralph Weiser died Friday night at Klamath Falls, Ore., after a knockout by Teddy Hall of Vancouver, B.C.

NIELSEN DIES
SALT LAKE CITY (AP)—Einar Nielsen, 73, trainer of University of Utah athletic teams since 1914, died Monday.

New York Bond Market

NEW YORK (AP)—Treasury bonds slipped sharply Monday while the corporate bond market fluctuated narrowly.

"Big Board" volume soared to \$15,760,000 par value from \$5,950,000 Friday and \$6,659,000 a week ago. It was the biggest sales total on the New York Stock Exchange since May 4, 1945, when volume amounted to \$17,380,000.

But the record volume was mainly in a single issue. Two huge blocks of American Telephone convertible 3½s changed hands at the opening at 149 ½ on sales totaling \$9,394,000 par value. Thereafter, AT-T's convertible debentures due in 1965 declined, finishing off 1½ points at 138½ on sales of \$9,525,000.

Softness among U.S. government bonds was due to a "seasonal" lack of demand, over the counter dealers said. At this time of year, financial institutions prepare year-end statements of condition and curtail their market operations.

Industrials were fairly steady in corporate dealings. But railroads and utilities were subject to some profit taking. Trading was selective and most changes small.

In the field of new finance, the City of Chicago said it will market \$8 million dollars of Calumet Skyway Toll Bridge revenue bonds on Dec. 22. The tax exempt will mature Jan. 1, 1955. They will be secured by tolls from a seven-mile bridge which will extend from the Indiana state line to 60th and State streets on Chicago's South side.

New York Stock Market

NEW YORK (AP)—The stock market went through another of its inconclusive and irregular sessions Monday, this time on sharply reduced volume.

Prices spread over a rather narrow range of around \$2 in either direction.

The railroad component of The Associated Press average of 60 stocks by 80 cents while the industrial and utility components each fell 10 cents. The net result was a gain of 20 cents in the overall average at \$149.40. It was the first gain for the average in four sessions.

Volume dropped down to 2,750,000 shares, lowest since the first day of the big post-election bull market boom. There were 3,250,000 shares traded Friday.

Most railroads tended lower. Also showing losses were the mail order houses, utilities, coppers, electrical equipments, building materials, and airlines.

Steels were higher, motors made modest gains, and the oils were up. Otherwise the market was mixed.

Contributing to the present irregularity is tax selling and switching with investors selling stocks to register gains or losses for tax purposes and in many instances switching into comparable securities of other companies.

Brokers have been expecting either a correction or a period of quiet consolidation of gains.

The American Stock Exchange was somewhat higher on volume of 1,140,000 shares.

LIQUIDATION FORCES GRAIN PRICES DOWN

By WILLIAM FERRIS

CHICAGO (AP)—Grains started sagging around the end of the first hour on the Board of Trade Monday and kept right on going down to the final bell.

Losses ran to as much as three and four cents in rye and soybeans, the two weakest grains. Final prices were at the day's lows in most cases as aggressive support failed to develop. Despite the downturn, trading was not active.

Wheat closed 1¼-2½ lower, corn 1½-1¾ lower, oats 1¼-1½ lower, rye 3 to 3¼ lower, soybeans 2 to 4½ lower and hard 20 to 45 cents a hundred pounds lower.

There wasn't any important news upon which to base the selling. There has been constant liquidation in wheat, oats and rye for the past few weeks. This type of selling got the better of the market Monday in view of lack of support from commercial or export interests.

Traders in soybeans were upset by a report Chinese and Brazilian soybeans were being offered in Europe at \$4.00 a ton cheaper than American soybeans. Both bean oil and meal prices eased.

CHICAGO LIVESTOCK MARKET REPORT

CHICAGO (AP)—After a slow and somewhat easy opening, hogs turned moderately active and sold at steady prices Monday. Salable receipts totaled 19,000.

Buyers paid \$17.50 to \$18.75 for choice 190 to 220-pound butchers, going up to \$18.85 for one deck. Most 230 to 250-pounders brought \$16.75 to \$17.75 and 260 to 280-pounders \$16.25 to \$16.75. Sows sold from \$13.50 to \$15.75.

A two-way trend developed in the steer and heifer trade. Those grading choice and better sold steady to 25 cents higher while other grades were slow to 25 cents lower. Top on steers was \$31.50 for three loads. Most choice offerings sold at \$25.50 to \$27.75.

Choice to low prime heifers went at \$23.50 to \$27.25. Cows were steady to 25 cents higher at \$9.00 to \$11.50 for utility and commercial. Vealers sold firm at \$18.00 to \$20.00 for good and choice. Salable receipts totaled 23,000.

Lambs broke 50 to 75 cents on a large supply. Good to prime woolled types were purchased at \$17.50 to \$20.00. Salable receipts totaled 5,500.

Council Will Oppose Higher Phone Rates; Read Water Contract

The Jacksonville city council went on record last night as opposed to a proposed rate increase sought by the Illinois Telephone Co. Voting unanimously, the council registered its protest against a hike in rates, and adopted a resolution to send representation to a public hearing before the Illinois Commerce Commission at Springfield on Wednesday, Jan. 5.

When City Clerk Phillips read a letter from the Commerce Commission, announcing that the phone company's application has been scheduled for hearing at 9:30 a. m. Jan. 5, Alderman Chumley said he believed higher phone rates should be opposed and that the city should have representation at the hearing.

Chumley said that on the last rate increase, telephone officials indicated the boost would take care of installation of a dial system.

Mayor Hoagland recalled that a number of months ago the phone company applied for higher rates, and that the council went on record as opposing the action. After a conference among representatives of the Chamber of Commerce, telephone company, and the city, the council withdrew its objection when it was shown that the increase was vital to operation.

"Increase Not In Order" "Another increase is certainly not in order at this time," Mayor Hoagland said last night.

The resolution regarding telephone rates was adopted on motion of Alderman Chumley, seconded by Alderman Allen.

A contract under which the city will furnish the Village of Chapin untreated surplus water from the transmission line now being built from the Illinois river, was given first reading after considerable discussion. Attorney Orville N. Foreman, special counsel for Jacksonville, and Attorney Guy Winks, representing Chapin, were present.

Under terms of the proposed contract, the city will furnish Chapin water for resale at a rate of 24 cents per 1,000 gallons, up to 1,000,000 gallons per month. Numerous details of the contract were discussed last week when the Chapin board conferred with the council.

The contract calls for a 35 year agreement. Alderman Jack Matthews raised the question of whether the city should enter a contract at a fixed price involving such a long period. He said costs might rise so

Father Of Local Man Celebrates 92nd Birthday

William Henry Luter, father of Carl E. Luter, 706 West Douglas avenue, celebrated his ninety-second birthday anniversary Monday at his home in Springfield.

He was born Dec. 13, 1862, on a farm north of Jacksonville. At the age of 18 he cut trees and split rails for a neighbor, splitting an average of 100 rails a day, for which he was paid \$10 per thousand.

Mr. Luter worked as a fireman on the C.P. & St. L. railroad from Jacksonville to Havana. He also fired the Red Express from Pekin to St. Louis, and on the Jacksonville-Southeastern railroad. At one time he was baggageman for the Wabash railroad in this city.

The aged man recalls that he drove the first fire engine in Jacksonville when a three-horse hitch was used; he drove the carriage of Governor Richard Yates on the occasion of Yates' marriage.

In 1884 he began painting and decorating houses, and retired in 1942 at the age of 80.

Mr. Luter is blind and his hearing is impaired. He has been in poor health several years, but enjoys visiting with neighbors and friends. His wife, the former Bessie Crum of Palmyra, and his daughter, Florence, reside with him. Another daughter, Mrs. J. B. Carter, resides near him in Springfield.

Mr. McGinnis, who was 76 years old, attended church Sunday morning. Later in the day he was stricken, and lived but a short time after arrival at the hospital.

During his work with the railroad Mr. McGinnis and family resided at Roodhouse, moving to this city in 1944. He was widely known by law enforcement officers in all towns along the railroad. Police and sheriffs' forces always found him cooperative in investigations regarding railroad business.

Mr. McGinnis was responsible for arrest and conviction of a number of persons who stole from the railroad, or damaged its property.

He was born May 18, 1878, at Pisgah, son of James and Johanna McGinnis. He was united in marriage with Catherine Longworth on Jan. 29, 1911. For a time he was engaged in farming near Pisgah, then entered the employ of the railroad.

Mr. McGinnis, who was the youngest member of his family, was preceded in death by five brothers, Thomas, Michael, James, John, and Cornelius McGinnis; and four sisters, Mrs. Margaret Breen, Mrs. Catherine Haddigan, Johanna and Ann McGinnis.

The body is at the Reavy Funeral Home, where the family will meet friends Tuesday afternoon and evening. The Rosary will be recited at 8 p. m. Tuesday.
